

PASSPORT KENSINGTON MERCHANT DIRECTORY

is a non-profit, community-based initiative produced and created by **Red Pepper Spectacle Arts** with the participation of **Streets are for People** and the **Merchants of Kensington Market**.

From it's busy community storefront studio at 160 Baldwin, **Red Pepper** also produces the annual **Kensington Festival of Lights** (now in it's 16th year), and produced last-year's inaugural **Kensington Market Harvest Festival**. These events brought 50,000 people into Kensington in 2004.

An updated and expanded **PASSPORT KENSINGTON 2004** is now in progress and can be found in stores throughout the market, and online at www.redpepper-spectacle.org by midsummer.
